

# Georgia Shore Revisited

updated: 7/9/2017

**Length:** 12.84 miles

**Difficulty:** 4 of 5 (longer course and plenty of hills -- steep climbs before turn-around)

**Start/Finish:** Start at St. Albans town garage, finish is on Church Road.

**Directions to Event:** I-89 to exit 19. Proceed west to end of road and make a right on to Rt. 7. Proceed north into downtown St. Albans and make a left on Lake St. (Rt. 36). Go west on Lake until end of road, then make a left onto Georgia Shore road for approx. 1/3 mile.

**Parking:** St. Albans Bay park, and other areas near the start.

**Course:** Start at the St. Albans Town Garage and head south. On your way to the turnaround, watch out for turning cars at several intersections. Around the 5-mile mark, watch for slower moving traffic near camps on the lake.

The finish is in a different location than the start. You will go by the start, then bear right (but not sharp right) onto Church road. Preview this intersection.

**Course Cautions:**

Watch for turning traffic at several T-intersections on the way out and back

Watch for slow moving traffic near camps.

**IMPORTANT:** Take a good look before making U-turn. If you get held up by traffic, let the timers know how much time you lost. Don't take a chance!

**Sign-up Location:** St. Albans town garage entrance.

**Course Profile Data:**

Total ascent: 390 feet
