Ride Rules

- Everyone must wear a helmet and straps should be adjusted correctly.
 - Wave your thanks to drivers who are polite and wait for you or even drivers who are a little rude.
 - Follow all traffic laws, including obeying signals.
 - If the ride will wait for people at intersections, discuss this at the start.
 - Use your own judgment at each stop sign. Don't yell out "Clear" for the next rider.
 - Use hand signals for turns and to point out road hazards (If there are new people, review the rules.)
 - Wear visible clothing. In fog and rain, you might also want lights.
 - If there is a thunderstorm, get away from your bicycle and seek shelter in a building or a stand of trees (not a lone tree).
 - Single up when cars are passing, out of courtesy.
 - Get license plate or description of harassing drivers, and report it to the police, the ride leader and the Vt Bike/Ped Coalition.
 - Finally, a quick safety check for your bike: ABC Quick Check
- A = Air in tires
 B = Brakes working
 C = Chain lubed and crank in good shape
 Quick = Quick releases tight
 Check = Make sure everything else seems OK
- Have Fun**
