Ride Rules

- Everyone must wear a helmet and straps should be adjusted correctly.
- Follow all traffic laws, including obeying signals.
- If the ride will wait for people at intersections, discuss this at the start.
- Use your own judgment at each stop sign. Don't yell out "Clear" for the next rider.
- Use hand signals for turns and to point out road hazards (If there are new people, review the rules.)
- Wear visible clothing. In fog and rain, you might also want lights.
- If there is a thunderstorm, get away from your bicycle and seek shelter in a building or a stand of trees (not a lone tree).
- Get license plate or description of harassing drivers, and report it to the police, the ride leader and the Vt Bike/Ped Coalition.
- Single up when cars are passing, out of courtesy.
- Wave your thanks to drivers who are polite and wait for you or even drivers who are a little rude.
- Finally, a quick safety check for your bike: ABC Quick Check
 - A=Air in tires
 - B= Brakes working
 - C=Chain lubed and crank in good shape
 - Quick=Quick releases tight
 - Check=Make sure everything else seems OK
- **Have Fun!**
